

Citing Amulek as one who turned from the comfortable worldly road to the less-traveled path of righteousness, best-selling author Anne Osborn Poelman discusses the choices that we all face as a necessary part of our mortal existence. Amulek's story of choosing the right provides a natural backdrop for the issues of agency and accountability, choice and opposition, mistakes and repentance. Filled with personal stories and analogies, well-reasoned discussion, and concise conclusions, *The Amulek Alternative* is a thought-provoking look at topics of eternal significance.
