

A longing for change. A passion deep inside. A new adventure begins. Ana Jolivet is about to turn forty. She's lived a monotonous life, tucked away in the woods, in rural New York State. When her dreamy ex-boyfriend Steve shows up and asks her a personal question, it shakes her to the core and her journey begins. What follows is an adventure of the self and the soul that will twist your mind and tug at your heart. Laugh, cry, and grow with Ana as she fights through anxiety to discover the healing power of love, the magic and serendipity of faith, and the thrill and wonder of spontaneous passion, romance, and taking chances. This inspirational novel will ask: Who are you? What do you really want? What is your passion? And what are you waiting for?
