

These are true Chronicles from Meth Addicts all over the world and their road to recovery and freedom from Meth. These recovered addicts have given their written permission to have their unbelievable stories combined in this action packed book. Minimal editing was done because the author chose not to take away from what these addicts were trying to portray in their stories. Anything that could trigger another addict or glorify addiction has been taken out for that reason. This is a book of recovery. These are the Chronicles of Meth Addicts. Vol. 1
