

I originally undertook the task of writing my own book for the Elementary and Intermediate Algebra course so I could explain mathematical concepts to students in language they would understand. Most books claim to do this, but my experience with a variety of texts had proven otherwise. What students and faculty will find in my book are short, precise explanations of terms and concepts that are written in understandable language.

Major detectors in elementary particle physics (LBL), Orangaroo: Orangaroo makes a friend, Records of Officers and Men of New Jersey in Wars, 1791-1815, Pesticides In Diets Of Infants, Finding Out About Solar Energy (Searchlight Books) (Searchlight Books What Are Energy Sources?),
