

Go for Yours, a guide for ambitious, faithful and progressive individuals who yearn to break conventional models of living; is a collection of stories and examples of young, African Americans who followed their dreams no matter their age, background or years of work experience. This book uses examples of celebrities who portrayed a certain attitude that led them to their success and unveils the world to young and fearless trailblazers, entrepreneurs and leaders. By taking a glance at people who followed their dreams in spite of their adverse encounters, you will be left encouraged to create your own opportunity instead of wait for it. More importantly, this book highlights individuals who are successful in a world that tends to focus on the negative aspects of African Americans.
