

In the suburban world of nice homes, neat lawns, and new cars, it can be easy to forget about social justice. Life keeps us busy, and the poor and disenfranchised of our world are invisible as we go from our garage to our workplace and back again. But suburbanites can be a force for social justice in the world. In this unique book, you will take a journey with a young couple from the burbs as they learn to notice and act on the issues of justice that abound everywhere. This engaging narrative will help you kiss apathy and ignorance good-bye in favor of a life of concern and action. Will and Lisa are provocateurs of imagination, writing from a desert where folks are thirsty for more than the American dream. This is a much-needed invitation for justice to flow through the suburbs like mighty waters and bring to life all the parched souls trapped in the ghettos of poverty and wealth.--Shane Claiborne, activist, author, *The Irresistible Revolution: Living as an Ordinary Radical* Will and Lisa have joined talents to offer a compelling argument for living justly in an unjust world, and for loving our neighbors in a hands-on, life-changing way.--Liz Curtis Higgs, author, *Bad Girls of the Bible* Will and Lisa Samson's new book, *Justice in the Burbs*, is a moving book. I wept with joy, knowing how many people will be moved to join the work for justice God has already begun in the world.--Christian Scharen, author, *One Step Closer: Why U2 Matters to Those Seeking God* Whatever happened to the vital social and moral energies of the Christian faith? They are alive and throbbing in this book that shows how the gospel can walk the missing sidewalks and unfriendly cul-de-sacs of the suburbs.--Leonard Sweet, Drew Theological School, George Fox University
