

Ever since women artists gave themselves the right to declare their sexual fantasies, their work has yielded revelations for those who once declared their fantasies for them. In a raw language that ignores taboos, these women speak of sex like Courbet painted *The Origin of the World*. *Keep This Sex Out of My Sight* is a hymn to women's sex, a celebration of feminine desire, so often erased, hidden and forgotten. For the artists whose texts and images appear here, obscenity and pornography are responses to the male fear of the female sexual organ, and confronting them cancels their power.

Pryor Convictions: And Other Life Sentences, Dave Porter in *Cave Island; Or, A Schoolboys Mysterious Mission* (#8 in Series), *Immigrants and Aliens: A guide to sources*, *Market-Based Governance: Supply Side, Demand Side, Upside, and Downside* (*Visions of Governance in the 21st Century*), *An Inquiry into the Nature and Causes of the Wealth of Nations, Volume I*,
