

Tres de los maestros espirituales mas influyentes de nuestra era, Deepak Chopra, Debbie Ford y Marianne Williamson, se reunen por primera vez en una obra que va camino de convertirse en un hito a la altura de El poder del ahora o El secreto. Estos tres estudiosos del alma conceden a los lectores un privilegio excepcional: iluminar con su sabiduria las zonas inhospitas de la psique humana, esas que gobiernan nuestra vida en la penumbra. A diferencia de otros libros que fantasean sobre la luz, esta obra reveladora nos ensena a hacer consciente la oscuridad, porque solo asi seremos duenos de nuestro destino. / Three of the most influential spiritual teachers of our era, Deepak Chopra, Debbie Ford, Marianne Williamson, have joined together to share their knowledge on one of the most crucial obstacles to happiness we face: the shadow. They lighten the parts of ourselves we deny but that still direct our life. Only when we embrace our shadow, we discover the gifts of our authentic nature. These three spiritual guides give a rare privilege to readers: illuminate with wisdom the areas of the human psyche, those that govern our life in the shadow. Unlike other books that fantasize about the light, this revealing book teaches us to be conscious of the dark, because only then we will be masters of our fate.
