

From the author of *There Goes the Bride*, here is a book that talks to women about a new approach to life—being single and thoroughly enjoy it! Rather than focusing on Mr. Right, women should use their dating experiences as a developmental process, a learning experience, a way of growing and maturing and deciding what you really want. Women can learn from Mr. Puppy Love, Mr. First Boyfriend, Mr. Swashbuckling Adventure, Mr. Sex, Mr. Serious Intellectual, Mr. Money, Mr. Best Friend, and others. Each chapter concludes with a section called *Been There, Learned This* which lists the specific learning experiences and lessons accomplished from each dating and relationship experience. The book is sharp, energetic, often humorous, and always on the mark.
