

Introduction I have been sharing my opinion for many years. I decided to compile all of this documented wisdom to make it easy for people to reference this profound advice and insight! This is a great book to put in the bathroom basket. It is designed to be read in many short increments and if you skip around you will not lose the storyline, because there is no storyline! Most of the book chronicles the political happenings of the day and my take on those happenings. I only went back a couple of years for no particular reason than it was easier for me. After all, this is part of my "Ignored!" series and I don't expect you to read these words anyway. But in the event you do Thanks!! There are a lot of lessons in this book that I think are valuable. There are a lot of entries that highlight my frustrations but in most entries there is a nugget or two that may stay with you. If you have a student that is interested in Political Science this book along with The Teenager's Guide to Life, Liberty, and the Pursuit of Happiness: A Parent's Gift!, will guarantee them an A in the course. This makes a great gift for the Liberal Left Wing Loon in your life! Drive them crazy by giving them a gift that will drive them batty! (This is my marketing campaign. I hope it's not so obvious!) Enjoy the last three years of my life as a Political Blogger!
