

Excerpt from Natural History Transactions of Northumberland, Durham, and Newcastle-on-Tyne, Vol. 9: Being Papers Read at the Meetings of the Natural History Society of Northumberland, Durham, and Newcastle-Upon-Tyne and the Tyneside Naturalists Field Club, 1887-88 In the following contribution to the Transactions of our Society will be found nearly all the names in the region of Upper Teesdale that occur in the one-inch-to-a-mile Ordnance Maps of the district. There are doubtless still more names on the Ordnance Maps on the larger scale, and many more in the knowledge of the inhabitants of the valley. These, however, which have been collected and arranged in alphabetical order are, it is believed, sufficiently numerous to give a good idea of the quality of the place-nomenclature of Upper Teesdale. The names have been taken from the divisions of the above maps marked CIII. S. W. Co. Durham; CII. N. E. Appleby; and CII. S. E.
