

The study of Old Testament criticism requires the bridges of an important cultural gap because the home of the method and the place of its most creative use is still Germany. In this authoritative work, British scholar John Rogerson discusses two specific questions: how did the critical method arise in Germany in the nineteenth century, and how was its reception into England affected by the theological and philosophical climate? This is the first book which attempts to trace in such detail the impact of German critical method upon scholarship in England. As such it is a valuable contribution to the history of Old Testament scholarship and to the history of ideas. Part I examines German scholarship from 1800-60, from the founder of modern criticism, W. M. L. de Wette, through to the submergence of this early radicalism by the so-called positive criticism, and the confessional orthodoxy led by Hengstenberg. Part II investigates the use of Old Testament criticism in England with particular attention to contacts between Germany and England and to a comparison of the respective intellectual climates. Part III focuses again on German scholarship, particularly on the rebirth of de Wettian ideas, as expressed by Julius Wellhausen. It explains how the reception of Wellhausen in England involved a modification of his position in the light of neo-Hegelian philosophy.

Postcolonial Asylum: Seeking Sanctuary Before the Law (Liverpool University Press - Postcolonialism Across Disciplines), Strategic Recreation Management, The Stone Garden: The Epic Life of Billy the Kid, Practical Occupational Medicine, The Personalisation of Politics: A Study of Parliamentary Democracies (ECPR Monographs Series), The New Illustrated Encyclopedia of Gardening (volume 3), Notes On Rockall Island And Bank: With An Account Of The Petrology Of Rockall, And Of Its Winds, Currents, Etc., With Reports On The Ornithology,
