

This book will show you how to make fabulous origami shadowbox frames to display your art in a beautiful and original way! Origami Shadowbox Frames will guide you through folding the 10 original modular origami designs by Yuri and Katrin Shumakov, branching into 20+ framesâ€™ variations. Different designs of deep and shallow frames feature various profiles such as 1:2 rectangle, square, equilateral triangle, right triangle, isosceles trapezoid, right trapezoid and stairs-like profile. You will learn how to fold variations of each design, customize frames to your liking and add relevant back pieces. On 128 pages of this book there are 640 detailed step-by-step colorful diagrams with written instructions as well as 175 photos of examples of completed frames. In each article, there are recommendations on paper type and size (including Letter and A4 formats) with indication of the size of the completed model. The designs are intermediate to complex level of folding. Have a creative and fun time with this book making origami shadowbox frames! Happy folding!
