

Revival Answers, True and False Revivals will answer these questions and many others, so we can discern genuine heaven-sent revival and not be deceived by a counterfeit. Many Christians who faithfully and persistently prayed for revival have rejected a move of God because they did not recognise it. Let us not be guilty of resisting the Holy Spirit, or condoning the flesh or the demonic. Featuring the facts of revival, related Scriptures, the abnormal and normal Church, the pendulum swing and characteristics of revival, the Church, community and educational institutions in times of revival. Understand: physical phenomena, conviction of sin, the supernatural, whether it is Divine or demonic, deception, excess and much more. Drawing from Scripture and Church history, this book will sharpen your senses and take you on a journey of discovery. What God declares in His Word and what Church history records as you search for a personal revival, and a move of the Holy Spirit within your local fellowship and beyond.
