

The Illuminated Circle will explore the angels of the Shem ha-Mephoresh. This first book explores the angels associated with the astrological sign of Leo. The book goes over a bit of the history of the Shem ha-Mephoresh, introduces the Kabbalistic thought behind the concept, and gives a ritual and the sigils for summoning the angels in visions. This new and revised first book provides an introduction that can stand alone, or be used in conjunction with the following volumes to summon all 72 angels. All of the angels of the fire signs of the zodiac (Leo, Sagittarius, and Aries) are included.
