The human body is made up of many individual parts that work together in a highly interactive and coordinated way. This course introduces the building blocks.

This essay argues that the metaphor "body-as-gauge" guides capital punishment discourse, from advocates who protest the death penalty to. Find more images by Fritz Kahn in the Gallery of Machines. For thousands of years human beings have used metaphors as ways of understanding the body. Your body is an amazing machine. And we're not just saying that to suck up. There are constant, invisible, borderline-magical processes going. The body is the tomb of the soul. Plato. Your body is the temple of the Holy Chost. Saint Paul. The human body may be considered as a machine. Descartes.
