The Rime of the Ancient Mariner (originally The Rime of the Ancient Marinere) is the longest major poem by the English poet Samuel Taylor Coleridge, written in 1797-98 and published in 1798 in the first edition of Lyrical Ballads. Modern editions use a revised version printed in 1817 that featured a gloss. Along with other poems in Lyrical Ballads, it was a signal shift to modern poetry and the beginning of British Romantic literature. The text of the novel is complete and unabridged (1834 edition) and there are all 38 original illustrations by Gustave Dore restored and enhanced. ¶ Learn or improve your English, French, German, Spanish or Italian by reading the bilingual edition of this ebook or another bilingual parallel texts ebooks for kindle by the same editor.
