

When Judith Waverlys sensual dream turns out to be an actual passionate encounter with an elf who believes shes his destined mate, the consequences are devastating. Judith, torn from her world and seemingly abandoned in Faerie, is thrust among the glamorous, long-lived elves, who consider sex a diverting pastime and humans particularly delectable partners. Their naked desire for her arouses Judith in ways she could never have anticipated. Somehow she must find her way back home before shes irrevocably changed by her stay in Faerie. Devoril, the elf who seduced her, broke one of Faeries essential laws when he unwittingly transported Judith, a mortal, to Faerie. For that crime he faces death.
