

This book tells the compelling story of the average US infantryman in the Vietnam War (1955-1975). Beginning with conscription, enlistment, Basic Training, and Advanced Individual Training at the Armed Forces Induction Center at Fort Polk (the infamous "Tigerland"), it goes on to explore the day-to-day realities of service in Vietnam, from routine tasks at the firebase to search-and-destroy missions, rocket attacks, and firefights in the field. Weaponry, clothing, and equipment are all described and shown in detailed color plates. A vivid picture of the unique culture and experiences of these soldiers emerges "from their vernacular to the prospect of returning to an indifferent, if not hostile, homeland.
