

This is a mini handwriting workbook using the text of the Lord's Prayer (Matthew 6:9b-13). This prayer has been recited in church liturgies and taught in children's catechisms for centuries. In this prayer, Christ offers his disciples a model for how to pray. This workbook provides 18 days of copywork. (If you're looking for full-year workbooks, go to intoxicatedonlife.com) The translation used was made popular by the Book of Common Prayer, and is still one of the most popular liturgical versions of the Lord's Prayer recited today. The handwriting font used is D'Nealian Cursive.
